## WATERPROOFING APPLICATION

# Roller frames for waterproofing.

Choose the frame size to suit the area. Covers and sleeves not included.

### HEAVY DUTY ROLLER FRAME

## 230 mm

Heavy duty frame for waterproofing work. The wider format suits open wall and floor areas, helping cover larger sections efficiently with a suitable roller cover.

SKU: QL-RF-230-50

## A\$165.00

incl. GST per box

A\$150.00 ex. GST per box

**50 frames per box**

Frame only

### ROLLER FRAME

## 100 mm

A compact frame for waterproofing in smaller areas and restricted spaces. The 100 mm format helps you work along edges and around details with control.

SKU: QL-RF-100-100

## A\$210.00

incl. GST per box

A\$190.91 ex. GST per box

**100 frames per box**

Frame only

All prices AUD. Box offers only.

## The right size for the area.

230 mm for larger areas. 100 mm for detail work.
